RE: 2015 Continuing Education for Inspector Contractors and Inspector  
Journeymen

Your request for **Two (2) hours** of continuing education credit covering 2 Hour Oklahoma 2015 Fuel Gas Code Update has been reviewed and approved. This course will meet the Oklahoma requirements of continuing education over the 2015 code for each Inspector contractor or Inspector journeyman attending this seminar.

The enclosed sign-in sheets must be returned to this office for verification of attendance for individual credit for each individual desiring continuing education credit for this training. Please confirm that each licensee signing in uses his or her proper name to ensure each licensee receives credit.

You ***MUST*** use the Course Identification Number located in this letter on all correspondence and certificates of attendance pertaining to this seminar. If you have any questions or need further assistance please call this office at (405) 521-6550. Each future course will be assigned an individual identification number for tracking.

Sincerely,

A handwritten signature in cursive script that reads "Jim George".

Jim George  
Inspector Program Supervisor
